After School Study for 6th years only

We are going to run afterschool study for 6th year students only, for the two weeks prior to Christmas and hopefully if the restrictions remain at level three or below we will continue with this until the end of the school year.

Strict COVID protocols will be in place during study. This includes required ventilation, cleaning regimes, allocated seating, social distancing and mask wearing. Under the COVID guidelines, the study session can only be two hours long. Students will be spread across more than one room to fulfill the social distancing and room limit requirements.

An electronic roll will be kept of the students who attend study in line with COVID requirements.

The schedule will be as follows:

Study will run from Tuesday 8th of December to Monday 21st December inclusive.

Monday to Thursday 4pm to 6pm

Friday 1.15pm to 3.15pm

The cost for the two weeks before Christmas is €15 and is payable through the APP.

Study will recommence on the day we return to school after the Christmas holidays (Wednesday 6th January 2021) if the restrictions remain at level three or below.

We would ask that students stay for the duration of the two hours.

We expect students to fully utilize the time and respect the rights of others not to be disturbed.
